JPNK: A Symphony In Soju Making

**Seven centuries worth of courage, wisdom, trails and time.
Infusing the essence of our special blend of Chungju rice into natural rock water.**

**Hints of rice, Mineral Freshness, whisper of earthiness,
A flavor that is uniquely ours, steeped in the essence of Chungju.**

We are on a journey of a 700-year-old Legacy, to perfect our soju.

Inspired by ‘보릿고개’

‘Borit Gogae’

*During this historical tough time in Korea,
The **Classic Soju** was born to get us through the storm.*

*With people going hand in hand, we rode out the storm,
In the spirit of ‘DAON – Good things will happen’ !*
